**TOGETHER WE CAN MAKE A DIFFERENCE!**

We invite everyone to join PTSA and get involved...when parents, educators, and community members are working together, student achievement rises, teacher morale improves, and communities grow stronger.

Your PTSA membership will fund and provide the Chaboya families with:

- ❖ Educational and informative programs
- ❖ Fun, entertaining and community building programs
- ❖ Financial support to continue programs and activities affected by budget cuts

PTSA will continue to be a resource for volunteers to assist with school sponsored activities.
